About this collection

The legislation in this collection has been reproduced as it was originally printed in the Government Gazette, with improved formatting and with minor typographical errors corrected. All amendments have been applied directly to the text and annotated. A scan of the original gazette of each piece of legislation (including amendments) is available for reference.

This is a free download from the Laws.Africa Legislation Commons, a collection of African legislation that is digitised by Laws.Africa and made available for free.

Rwanda

Ministerial Order determining a List of Plants or Plant Products that do not Require License or a Phytosanitary Certificate for Importation

Ministerial Order 14 of 2017

[Published in Official Gazette 32 on 7 August 2017](#)

Assented to on 2 August 2017

Commenced on 7 August 2017

[This is the version of this document from 7 August 2017.]

The Minister of Agriculture and Animal Resources;

Pursuant to the Constitution of the Republic of Rwanda of 2003 revised in 2015, especially in Articles 121, 122 and 176;

Pursuant to Law n° 16/2016 of 10/05/2016 on plant health protection in Rwanda, especially in Article 4;

After consideration and approval by the Cabinet, in its session of 30/06/2017;

HEREBY ORDERS:

Article One – Purpose of this Order

This Order determines a list of plants or plant products or any other material capable of spreading a pest or disease that do not require a license or a phytosanitary certificate for importation.

Article 2 – List of plants or plant products or any other material capable of spreading a pest or disease that do not require the license or a phytosanitary certificate for importation

A list of plants or plant products or any other material capable of spreading a pest or disease that do not require the license or a phytosanitary certificate for importation is in Annex of this Order.

Article 3 – Repealing provision

All prior provisions contrary to this Order are repealed.

Article 4 – Commencement

This Order comes into force on the date of its publication in the Official *Gazette* of the Republic of Rwanda.

Annex

List of plants or plant products that do not require a license or a phytosanitary certificate for importation

1° plant/plant product that cannot be propagated in Rwanda and cannot spread pests or diseases;

- 2° plant/plant product properly dried or sterilized or inactive botanical specimens or herbaria provided they are free from soil or sand, in such way that they have no potential to spread pests or disease;
- 3° plant/plant product cooked, processed, fermented, roasted, purred and preserved in such a way that it cannot spread pests or disease.
